We do this as preventive measures for our community to mitigate the risk of a novel Coronavirus disease (COVID-19) outbreak in the premises of Yatri Niwas of Zeashta Devi Temple complex and also, we are collecting personal data to be able to support local authorities in case of an outbreak in Srinagar. In such a case, this data will help the authorities to trace a human-to-human transmission of the virus.

This data sheet will be stored in our office and will not be shared with any third party, unless there will be an official request by the local authorities for reasons of public interest in the area of public health.

The datasheet will be deleted one month after collection, unless a longer period is required by the public authorities.

Thank you for your cooperation.
